**South Zones Cross Country 2020 — Monday 22 June**

What a morning we had at Halswell Quarry! The students that attended represented our school and themselves with mana and exuberance. All cheering each other on and giving it their all on the track. I couldn't be happier with their collective effort and they all made me very proud. We had some very good results as well with five students qualifying for the Canterbury Champs and great placings by the others.

Well done to Lucas Sutherland (2nd - Year 5 Boys), Otis Scott-Cain (2nd - Year 6 Boys), Florence Adcock-White (4th - Year 7 Girls), Awa Noble-Gawn (6th - Year 7 Boys) and Joseph Farrant-Sanchis (2nd - Year 8 Boys).

I would also like to thank the parents that helped transport and support our competitors, it couldn't be done without help from the community and it is much appreciated!!

Ashley McCormack - Sports Coordinator.

The Whole School were able to enjoy an amazing lunchtime concert on Monday with students from CL 6-9 performing. Ka Pai, you were all amazing.
Kia ora Steiner Community,

We have Winter Sport coming up for the Lower School and there is a need for **gear for Hockey and Football**. If you have any shin pads and/or boots that your children have grown out of we would love to be able to pass these on! Any condition and size. If you have any items that you would like to donate, please drop them off at the office. Thanks!

Ashley McCormack - Sports Coordinator.

  **PLEASE NOTIFY THE SCHOOL BY 9am.**

If you use Hansen Park for drop off and pick up please ensure that you are following the Give Way rules when entering and exiting the Park. You need to Give Way to cars travelling along Butler Street, as they have **RIGHT OF WAY**.

A member of the public has contacted the school office and advised that he has almost been involved in hitting cars entering or exiting Hansen Park, especially in the mornings, so please be aware of this as we do not want to see anyone injured or involved in a serious accident.

A friendly reminder that if you are late to drop off, or need to do an early pick up or for an appointment, do not enter the classroom buildings or go to your child’s classroom, please come to the office.

Office staff will go and collect the student from the classroom and bring them down to the office. We have decided to keep this process as it is less of an interruption for the teacher and students in the class.

And we need to be able to account for everyone who comes onto our school grounds and enters the school buildings at all times, and that is why it is best practice to come directly to the school office.

**COVID 19 Alert Level 1: If you child is sick please keep them at home.**

Under public health measures at all alert levels we have been advised that if people are sick, they should stay home (for advice phone Healthline on 0800 358 5453 or their GP and get tested if they have flu-like symptoms)

Wash and dry hands, cough into elbow, don’t touch your face.

If sick children are coming into the classrooms, the well being of all the children can be compromised after such a wonderful run of good health.
